

Eric H. Oelkers

Research Director - Chemistry and Earth Science
E-mail: oelkers@lmtg.obs-mip.fr
CNRS UMR 5563/Université Paul Sabatier, France

Eric H. OELEKRS is a CNRS research director working at the LMTG in Toulouse, France. Eric received his B.Sc. degrees in Chemistry and in Earth Science from MIT before completing his Ph.D. at the University of California, Berkeley. He is currently serving as vice-President/President Elect of the European Associate of Geochemistry, and is the coordinator of the MIR and MIN-GRO European Research and Training Networks. He has also served as director of the Geochemical Society, co-editor in Chief of Chemical Geology, associate editor of *Geochimica et Cosmochimica Acta*, and guest editor of *Elements*. Eric has made substantial contributions to our understanding of the thermodynamics and kinetics of water-rock interaction.
